

Cambridge Art Association has over 600 members working in all media - photography, painting, sculpture, textiles, ceramics, digital art, stained glass - who have been admitted by a jury of peers. These members represent a diverse group of backgrounds and levels of artistic training, the only criteria for membership being the quality of the artist's work.

SLIDES WILL NOT BE ACCEPTED

Please bring 3 pieces of original work, produced within the past 2 years. Also include an artist statement and CV when dropping off your work. All work must be collected the day after the screening.

Please label all work with your name, address, phone number, and email address; labels will be available at the drop-off. Artwork must be delivered ready to hang. It is not imperative that your work be framed; however, it **MUST** be presented in a manner appropriate to a gallery setting. Please note that CambridgeART will not accept work in u-bank or sandwich frames, giclee reproductions (with the exception of photography), shrink-wrapped work, or unframed work on paper.
